|-------------------------------------------------------------------------------|-------------|
| <b>Chapter 1 Purpose and Need</b> .....                                       | <b>1-1</b>  |
| 1.1 Introduction .....                                                        | 1-1         |
| 1.1.1 Overview of the Proposed HCP/NCCP .....                                 | 1-2         |
| 1.1.2 Background of the Proposed HCP/NCCP .....                               | 1-2         |
| 1.1.3 Overview of NEPA and CEQA .....                                         | 1-4         |
| National Environmental Policy Act .....                                       | 1-4         |
| California Environmental Quality Act .....                                    | 1-5         |
| Joint CEQA/NEPA Document .....                                                | 1-5         |
| 1.2 Purpose and Need/Objectives .....                                         | 1-5         |
| 1.2.1 Purpose of Proposed Project (NEPA) .....                                | 1-6         |
| 1.2.2 Need for Proposed Project (NEPA) .....                                  | 1-6         |
| 1.2.3 Goals and Objectives of Proposed Project (CEQA) .....                   | 1-6         |
| 1.3 Decisions to Be Made .....                                                | 1-8         |
| 1.3.1 U.S. Fish and Wildlife Service .....                                    | 1-8         |
| Permit Issuance Criteria .....                                                | 1-9         |
| Endangered Species Act Section 7 .....                                        | 1-9         |
| National Environmental Policy Act .....                                       | 1-10        |
| 1.3.2 California Department of Fish and Game .....                            | 1-10        |
| Natural Community Conservation Planning Act .....                             | 1-10        |
| California Environmental Quality Act .....                                    | 1-12        |
| 1.3.3 East Contra Costa County Habitat Conservation<br>Plan Association ..... | 1-12        |
| 1.3.4 Participating Jurisdictions .....                                       | 1-12        |
| 1.4 Public Involvement .....                                                  | 1-13        |
| 1.4.1 EIS/EIR Public Outreach .....                                           | 1-13        |
| Notice of Intent/Notice of Preparation .....                                  | 1-13        |
| EIS/EIR Scoping .....                                                         | 1-13        |
| Draft EIS/EIR Public Review .....                                             | 1-13        |
| 1.5 Issues from Scoping .....                                                 | 1-14        |
| 1.6 Document Organization .....                                               | 1-14        |
| <b>Chapter 2 Proposed Plan and Alternatives</b> .....                         | <b>2-1</b>  |
| 2.1 Introduction .....                                                        | 2-1         |
| 2.1.1 Plan Location .....                                                     | 2-1         |
| 2.1.2 HCP/NCCP Participating Jurisdictions .....                              | 2-1         |
| 2.2 Proposed Project and Alternatives .....                                   | 2-2         |
| 2.2.1 Approach to Developing Alternatives .....                               | 2-3         |

|           |       |                                                                  |      |
|-----------|-------|------------------------------------------------------------------|------|
|           | 2.2.2 | Alternatives Carried forward for Detailed Analysis.....          | 2-3  |
|           |       | Alternative 1: Proposed Plan (Conservation Strategy A) .....     | 2-4  |
|           |       | Alternative 2. Conservation Strategy B .....                     | 2-31 |
|           |       | Alternative 3. Reduced Development Area.....                     | 2-34 |
|           |       | Alternative 4. No Action/No Project .....                        | 2-36 |
|           | 2.2.3 | Alternatives Eliminated from Further Consideration .....         | 2-38 |
|           |       | Alternative 5. No-Take Alternative .....                         | 2-38 |
|           |       | Alternative 6. Expanded List of Covered Species.....             | 2-38 |
|           |       | Alternative 7. ESA-Listed Species Only.....                      | 2-39 |
|           |       | Alternative 8. Preserve Acquisition outside Inventory Area ..... | 2-40 |
|           |       | Alternative 9. Reduced Permit Duration .....                     | 2-41 |
|           |       | Alternative 10. Existing Reserves Only.....                      | 2-41 |
|           |       | Alternative 11. Modified Urban Growth Model .....                | 2-42 |
| Chapter 3 |       | <b>Affected Environment</b> .....                                | 3-1  |
|           | 3.1   | Introduction .....                                               | 3-1  |
|           | 3.1.1 | Resources Areas Not Considered in Detail in the<br>EIR/EIS ..... | 3-2  |
|           |       | Visual Resources.....                                            | 3-2  |
|           |       | Utilities and Service Systems .....                              | 3-3  |
|           |       | Public Services (Schools) .....                                  | 3-3  |
|           |       | Population and Housing.....                                      | 3-3  |
|           |       | Public Hazards and Hazardous Materials.....                      | 3-4  |
|           |       | Energy Resources .....                                           | 3-5  |
|           | 3.1.2 | Resource Areas Considered in Detail in the<br>EIR/EIS .....      | 3-5  |
|           | 3.2   | Biological Resources .....                                       | 3-6  |
|           | 3.2.1 | Introduction .....                                               | 3-6  |
|           | 3.2.2 | Regulatory Framework.....                                        | 3-6  |
|           |       | Federal Regulations.....                                         | 3-6  |
|           |       | State Regulations .....                                          | 3-9  |
|           | 3.2.3 | Data Sources .....                                               | 3-11 |
|           | 3.2.4 | Vegetation and Land-Cover Types .....                            | 3-12 |
|           |       | Grassland .....                                                  | 3-13 |
|           |       | Chaparral and Scrub.....                                         | 3-15 |
|           |       | Oak Savanna .....                                                | 3-16 |
|           |       | Oak Woodland .....                                               | 3-16 |
|           |       | Mixed Evergreen Forest .....                                     | 3-17 |
|           |       | Riparian Woodland/Scrub.....                                     | 3-17 |
|           |       | Wetland.....                                                     | 3-18 |
|           |       | Aquatic.....                                                     | 3-20 |
|           |       | Rock Outcrop.....                                                | 3-22 |

# Figures

**All figures appear at the end of the chapter in which they are referenced**

- 1-1 East Contra Costa County HCP/NCCP – Inventory Area
- 2-1 East Contra Costa County HCP/NCCP – Initial Urban Development Area
- 2-2 Acquisition Analysis Zones and Subzones
- 2-3 East Contra Costa County HCP/NCCP – Draft Land Acquisition Priorities under Initial Urban Development Area
- 2-4 East Contra Costa County HCP/NCCP – Draft Land Acquisition Priorities under Maximum Urban Development Area
- 3-1 East Contra Costa County HCP/NCCP – Land Cover in Inventory Area
- 3-2 East Contra Costa County HCP/NCCP – Land Use Designation Types
- 3-3 East Contra Costa County HCP/NCCP – Important Farmlands
- 3-4 East Contra Costa County HCP/NCCP – Williamson Act Lands
- 3-5 East Contra Costa County HCP/NCCP – Mineral Resource Areas in the HCP/NCCP Inventory Area
